

Gold Leaf RSVP Volunteer 2008

Joe Theoald

In addition to his other community work which includes, but is not limited to, a major role at the Jeffersonville Community Kitchen, coaching youth football, teaching ESL to Vietnamese immigrants and helping in numerous ways at St. Anthony's Catholic Church, Joe is currently serving his second term as Chair of the **RSVP** Advisory Council, a task which involves lots more work than the title implies.

Joe has done whatever we've needed and we've needed a lot. From fixing the brakes on our car, helping at all events, enrolling new volunteers, promoting and helping at our fundraisers, making our case to United Way and offering solid and creative, advice, Joe has had his hand in everything we've done for the last 7 years. He exemplifies his enthusiasm for volunteerism by both word and deed.

Here, Joe unloads food at Interfaith Community Council, Inc. Joe doesn't shy away from hard work.
